Credited for (9 LP):

SME - Nuts and Bolts of Business Plans

SME - M12: Wahlpflichtmodul

MM - Wahlpflichtmodul

AAT - Wahlpflichtmodul

CRM - Wahlpflichtmodul

Zusatzleistung

It is necessary to take part at both schools, in Siegen and in Baku to get the credits and/or a certificate.

Application:

Please send your application with a motivation letter (max. 1 page) and an actual overview of grades via E-Mail to sven.wolff@uni-siegen.de until 15th January 2019.

The number of participants is limited to 10 students.

Funding:

As a part of a DAAD Project this school is financed partially for the participants. The costs for mobility and stay in Baku are almost completely covered.

Grading:

- Attendance and participation
- Paper

Paper (has to be written after the course):

Each student must write an individual paper of 15 pages (references and bibliography section should not be included in this page count) using Times New Roman font, size 12. This paper must be supported by solid and relevant information from serious sources, which must be cited in the bibliography section. The Paper is to be delivered no later than six weeks after the end of the course.
