Reading Materials

The Harvard Business School (HBS) materials may be purchased online. The instructor will provide the link ahead of the start of the course.

The HBS materials are mandatory and each student must purchase his/her own copy.

Select chapters from Hill, "International Business", 8e serve as background material. These chapters are recommended but not required; they may prove useful. If you want to purchase the textbook, a convenient option is Amazon.

Other supplemental readings, such as *Economist* articles, will be posted on the course website.
