Profile

Subunit: Fakultät III - SoSe 2018
Name of the instructor: Dominik Kreß
Name of the course: Logistik

Comparative line: Fak III SoSe 18 Vorlesung
Compilation: Fak III SoSe 18 Vorlesung

Overall Evaluation

In my opinion the learning effect of this lecture is very high

Overall, I evaluate this lecture as excellent

Content and Structure

The learning objectives of this course are made clear from the start. I agree

The thematic sequence of the covered subject areas seems to be consistent. I agree

I find the learning objectives are relevant for my studies. I agree

The use of media and other practical presentation forms appear to me to be reasonably imbedded in the didactic concept of the course. I agree

Staff and Support

The lecturer is well-prepared. I agree

Regarding their content, I can understand the lecturer’s exposition and explanatory steps well. I agree

Questions are answered clearly for me by the lecturer. I agree

Performance and examination requirements are given in clear detail for me. I agree

The materials provided by the lecturer help me in my preparation and follow-up work. I agree

Insofar as supplemental exercises / tutorials / work groups are provided: An adequate number of exercises / tutorials / work groups accompany this lecture. I agree

Values used in the profile line: Mean
**Extent and Level of Difficulty**

- **I find that the amount of work needed to prepare for and follow-up on this lecture is**
  - Very low: $n=31$, $\bar{x}=3.5$, $\text{median}=3.0$, $\text{dev}=0.5$
  - Very high: $n=2762$, $\bar{x}=3.6$, $\text{median}=4.0$, $\text{dev}=0.9$

- **I think that the extent of material covered in this course is**
  - Very low: $n=31$, $\bar{x}=3.5$, $\text{median}=3.0$, $\text{dev}=0.5$
  - Very high: $n=2754$, $\bar{x}=3.7$, $\text{median}=4.0$, $\text{dev}=0.9$

- **Overall, I find that the level of difficulty regarding the content covered in this course is**
  - Very low: $n=31$, $\bar{x}=3.3$, $\text{median}=3.0$, $\text{dev}=0.5$
  - Very high: $n=2742$, $\bar{x}=3.5$, $\text{median}=3.0$, $\text{dev}=0.9$

- **I find that the pace at which the lecture is held is**
  - Very low: $n=31$, $\bar{x}=3.5$, $\text{median}=3.0$, $\text{dev}=0.7$
  - Very high: $n=2736$, $\bar{x}=3.2$, $\text{median}=3.0$, $\text{dev}=0.7$
